

## New Member Spotlight

Rockwood Adventist welcomes Carl, Pearl, Kyle and Keith

Zimmerman as our newest family members. Carl grew up in Loma Linda where he learned to program computers from his dad then went to Pacific Union College and graduate school at UCLA where he studied Computer Science, Mathematics, and Physics. Through the power of telecommuting Carl currently serves as Principal Software Architect for a medical software firm in California.

Pearl also attended Pacific Union College where she studied Nursing and Religion before moving to Loma Linda to study Public Health and Medicine. Pearl worked as a Professor and Attending Physician at Loma Linda University until she felt called to be a full time homeschooling mom.

Through a series of miracles the Zimmerman's transitioned from Loma Linda to Whidbey Island, WA and then to Portland where Keith and Kyle are currently wrapping up their junior year of High School at Portland Adventist Academy.

Carl loves to teach Sabbath School and help out with everything Pearl plans. Pearl loves to plan fun outings, ministry opportunities, and most anything that brings people together. Keith is interested in a wide array of activities, from soccer and writing to debate and acting, and he aspires to become a lawyer when he grows up. Kyle faithfully gives much of his free time to playing the saxophone, as he wishes to seek a future in the music industry.

Please join us in welcoming the Zimmerman's to Rockwood!
