

Friendship Sabbath

April 18-19, 2014

Easter weekend start your Sabbath off by inviting a friend to a free screening of the new film, Jesus: The Desire of Ages. Then invite them back for a unique worship experience with Chuck Neighbors followed by a delicious vegetarian potluck.

Jesus The Desire of Ages

"Jesus - The Desire of Ages" is a beautiful and artistic 63 minute Feature Film on the ministration and death of Jesus Christ. Within the framework of the walk to Calvary and the crucifixion are interwoven numerous flashback sequences portraying the transformation of some ten individuals whose lives were transformed by the power and love of Christ.

Jesus - The Desire of Ages tells this "Old, Old Story" in an amazingly fresh and living way through the eyes of the people who knew and loved the man of Calvary. An inspiring and triumphant music score combines with a visual artistry that truly grips the viewers heart. Personal and powerful, moving and heart-wrenchingly beautiful - this film will leave you feeling like you've had an intimate encounter with Jesus.
