

News from the Pastor's Desk

Resurrection? No one really questions the fact that Jesus lived. But performed miracles...came back from the grave? "Surely a reasonable person would never believe this, let alone the claim that he was God in the flesh." However, as reasonable people we should also know the facts before we jump to conclusions. If you have not explored the facts relating to the resurrection for yourself I would like to invite you to request a free copy of Lee Strobel's best seller - "The Case for Christ." See me following today's service or email - pastorgene@gmail.com to request your copy.

Educator Appreciation Sabbath On April 26 we will celebrate Educator Appreciation Sabbath at Rockwood Adventist. Please invite your favorite educator to join us for an inspirational worship service. And don't forget to invite them to join us for a fellowship lunch in their honor following the service.

The Blueprint - The Story of Adventist Education

On Sabbath, April 26 at 1:30pm, following our fellowship meal, we will be showing the latest documentary by award winning producer Martin Doblmeier. The BLUEPRINT, is a dramatic, multi-story documentary film now airing around the United States on Public Television. In the film viewers travel to eight Adventist schools across America to discover what is at the heart of the Adventist approach to education - an emphasis on the "whole child" - body, mind and spirit. Take the advice of one recent view who said, "Everyone with school age children needs to see the Blueprint."

Dinner and a Movie - Invite a friend to join you on Wednesday, April 30. Dinner is a 6:00 pm and the movie, "Hell & Mr. Fudge," starts at 7:00pm.
