Let the story of the Prince of Peace give renewed hope and a certain future to the world around you. ### The Ellen G. White Encyclopedia

A must have for every Adventist home - The Ellen G. White Encyclopedia gives an overview of her stance on numerous topics and offers an opportunity to dispel misconceptions on the life and literary influence of the denomination's most known figure, publishers said.

The encyclopedia consists of 1,300 articles with descriptions of places White lived and the people in her life, rarely seen photographs and her position on hundreds of subjects she wrote about during her ministry. A video describing the importance of this new work on the ministry of Ellen White is available at [www.adventistbookcenter.com/the-ellen-g-white-encyclopedia.html](http://www.adventistbookcenter.com/the-ellen-g-white-encyclopedia.html)
