

Growing Disciples Preparing People to Meet Jesus

At Rockwood Adventist we are inviting people to join us on a discipleship journey. What does it mean to be a disciple of Jesus?

Well, at Rockwood Adventist it means three things are happening in your life: 1) You are exploring the ways of Jesus, 2) Living the truth you discover from Jesus, and 3) Sharing the life you have received from Jesus.

EXPLORING the WAY

Discipleship is a never-ending journey. The journey begins as we engage in communion with God through Bible study, reflection and prayer. These encounters lead to worship, which is an integral part of our daily lives and our corporate Sabbath celebrations.

LIVING the TRUTH

The truth of Jesus must permeate all aspects of our lives in order to fully experience its transforming power. The support, encouragement and community needed to live a life centered on the truth of Jesus is best found through participation in a small group.

SHARING the LIFE

Disciples are called to share the life they have received from Jesus through daily encounters, small group experiences and by teaming up with others in service. Together we meet people where they are and lead them closer to Jesus, the Way, the Truth and the Life.
