

LOVE IS PATIENT ... LOVE IS KIND ... LOVE IS ...

old fashioned

in theaters this valentine's day

This Valentine's Day, celebrate a godly love story.

As February 14 approaches we are going to be inundated with commercials and online chatter about why we *have* to see Fifty Shades of Grey, a Hollywood film about sex and abuse. Then there's **OLD FASHIONED**, which is also coming to theaters on Valentine's Day weekend.

Daring to encourage moviegoers to find something beyond today's hook-up culture that leaves people longing for so much more, **old fashioned** is a faith-based movie that inspires a genuine hunger for godly romance and healthy relationships.

OLD FASHIONED is a heartwarming love story about Clay, a former frat boy whose relationship with Christ impacts the way he looks at life and relationships, and Amber, a free-spirited woman who has felt the pain of dating relationships. Together, they attempt the impossible: an old-fashioned courtship in contemporary America!

If you believe love is a gift from God to be treasured, then **OLD FASHIONED** is the movie for you! Let's boldly affirm the biblical truth that God's plan for love – a beautiful pathway to relationships filled with forgiveness, healing, and grace! See **OLD FASHIONED** in theaters beginning Valentine's Day weekend.

Hollywood's idea of a love story these days is Fifty Shades of Grey... Let's celebrate that Love is Patient ... Love is Kind ... Love is **OLD FASHIONED**.
