

## Discipleship Realizing the Mission

At Rockwood Adventist we believe our God-given mission is to grow disciples who are prepare people to meet Jesus. That sounds nice but what does discipleship look like and what should our church look like if we are carrying out our mission?

The graphic on the front of our bulletin illustrates our vision for discipleship - what we believe discipleship should look like both individually and corporately. Here is a brief description of each aspect of our vision. You can learn more at [www.RockwoodAdventist.com/Vision](http://www.RockwoodAdventist.com/Vision).

### **EXPLORING the WAY**

At Rockwood Seventh-day Adventist Church we believe discipleship is a never-ending journey. The journey begins as we engage in communion with Jesus through Bible study, meditation on God's Word and prayer. These encounters lead to worship, which is an integral part of our daily lives and our corporate Sabbath celebrations.

### **LIVING the TRUTH**

At Rockwood Seventh-day Adventist Church we believe the truth of Jesus must permeate all aspects of our lives if we are to fully experience its transforming power. The support, encouragement and community needed to live a life centered on the truth of Jesus is available to those who engage with a small group.

### **SHARING the LIFE**

At Rockwood Seventh-day Adventist Church we believe sharing the life we have received from Jesus through daily encounters, small group experiences and by teaming up with others in service should come naturally to a disciple. We meet people where they are and lead them closer to Jesus - the Way, the Truth and the Life.
