

## Pathfinder Sabbath

This week at Rockwood Adventist we are highlighting our Pathfinder Ministry. What is Pathfinders?

Pathfinder Ministries is a Seventh-day Adventist organization for young people grades 5-12. Today there are more than two million Pathfinders worldwide. Youth learn to share and care about others as they become involved in community service projects and go on short-term mission trips. There are many different areas in which Pathfinders have opportunities to serve, such as: dental, medical, optical, building projects, cleaning up a community or helping with Vacation Bible Schools.

At Pathfinder meetings young people learn skills that help them to become leaders within their communities, schools and churches. Skills development focuses on household arts, crafts & hobbies, health science, nature, outreach, recreation and vocation.

Though Pathfinders is an organization of the Seventh-day Adventist Church, one need not be a church member to become a Pathfinder. Youth can feel proud of belonging to a group that encourages and helps them to be the most caring people they can possibly become.

The purpose of Pathfinders is to introduce young people to Jesus Christ. Programs are designed to help them develop body, mind and spirit. With these skills our young people are able to carry on the work of the church and bring others to the feet of Jesus. More than just skills, we want young people to build a relationship with Christ as their Lord and Savior, thus giving them the knowledge they need to survive in this world while preparing for Heaven.

### The Pathfinder Pledge

By the Grace of God,  
I will be pure, kind and true,  
I will keep the Pathfinder Law,  
I will be a servant of God and a friend to man.
