

## Discipleship Realizing the Mission

At Rockwood Adventist we believe our God-given mission is to grow disciples who are to prepare people to meet Jesus. That sounds nice but what does discipleship look like and what should our church look like if we are carrying out our mission?

The graphic on the front of our bulletin illustrates our vision for discipleship - what we believe discipleship should look like both individually and corporately. Here is a brief description of each aspect of our vision. You can learn more at [www.RockwoodAdventist.com/Vision](http://www.RockwoodAdventist.com/Vision).

### **EXPLORING the WAY**

Discipleship is a never-ending journey. The journey begins as we engage in communion with Jesus through Bible study, meditation on God's Word and prayer. These encounters lead to worship, which is an integral part of our daily lives and our corporate Sabbath celebrations.

### **LIVING the TRUTH**

The truth of Jesus must permeate all aspects of our lives if we are to fully experience His transforming power. The support, encouragement and community needed to live a life centered on the truth of Jesus are available to anyone willing to engage with a small group of believers as they experience the Truth together.

### **SHARING the LIFE**

Sharing the life we have received from Jesus through daily encounters, small group experiences and by teaming up with others in service comes naturally to a disciple. Sharing the Life means we meet people where they are and lead them closer to Jesus - the Way, the Truth and the Life.
