### English Camp Meeting July 19-23, 2016

You will be blessed each evening at the Gladstone Camp Meeting this year as Mike Tucker unpacks the Bible stories of salvation. Mike very recently lost his wife and ministry associate, Gayle, but is still sharing his passion for Jesus' sacrifice and God's gift of salvation. You will not want to miss any of the evening meetings. Each morning during the devotional time, our administrative team will be taking a look at the church just after Jesus returned to heaven. There are powerful parallels found in those chapters from the book of Acts that are significant for us today.

Our Bible Study time at 9:00 am with Carl Cosaert will give you a whole new insight into the mentoring, modeling, and ministry of Paul and Timothy. Cosaert, one of our professors from Walla Walla University, will share insights from the second book of Timothy. Again, this will be a blessing each day as you hear the God-inspired thoughts shared from this small book of the New Testament.

I can't begin to tell you which workshops you need to attend as there are so many options and exciting topics being covered! There are also worship opportunities and activities for children and youth, as well as and some new and exciting opportunities for young adults. We know that God has a rich blessing in store for you as you enter these grounds. Welcome!
