

Discipleship

Realizing the Mission

At Rockwood Adventist we believe our God-given mission is to be growing disciples and preparing people to meet Jesus. What does that look like? The graphic on the front of our bulletin illustrates our vision for discipleship. Here is a brief description of each aspect of our vision. You can learn more at www.RockwoodAdventist.com/Vision.

EXPLORING the WAY

We believe discipleship is a never-ending journey. The journey begins as we engage in communion with Jesus through Bible study, meditation on God's Word and prayer. These encounters lead to worship, which is an integral part of our daily lives and our corporate Sabbath celebrations.

LIVING the TRUTH

We believe the truth of Jesus must permeate all aspects of our lives if we are to fully experience its transforming power. The support, encouragement and community needed to live a life centered on the truth of Jesus are available to those who engage in small group fellowship.

SHARING the LIFE

We believe sharing the life we have received from Jesus should come naturally to a disciple. This happens through our daily encounters, small group experiences and by reaching out together in service to our community. Meet people where they are and lead them closer to Jesus – the Way, the Truth and the Life.

Christ's method alone will give true success in reaching the people. The Savior mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, "Follow Me." MH p. 143
