

Mission Opportunity

Interested in supporting missions? Here's a very worthy mission endeavor for you to prayerfully invest in.

Karen/India Building Project

The Karen people have a large community on the northern islands of India, the Andaman and Nicobar Islands. They are not allowed by the Indian government to build a "Church," but they will be allowed to build a "Community Center."

They have several plots of land that are available on the main road, and they could purchase the land and build the center for about \$30,000. The Karen people throughout the US, including those in our Rockwood group, are trying to raise these funds as quickly as possible, while the window of opportunity is open. You may contribute to this project by donating to: Woodburn SDA Church, PO Box 828, Beaver Creek, OR 97004, with a memo for "Karen/India Building Project."
