## Impact Your Health-Portland

Have you ever needed food for tomorrow's breakfast, but didn't have the money to purchase it? Not just some special food you want, but food you and your family really need?

Thousands in our Portland/Vancouver communities face this choice every day. They must choose whether to spend on the basics of life, like food, shelter, and electricity, or to make a trip to the dentist. Or, perhaps they need a new eyeglasses prescription, a change that will substantially improve quality of life. But the children need breakfast. The list seems endless, and many are having to choose the "essentials", rather than the medical/dental care they need.

Impact Your Health Portland '18 is coming to help make choices easier for the people of Portland/Vancouver. Impact Your Health is a free medical/dental/vision clinic coming to Portland in August. For two days, Aug. 10th and 12th, the clinic will provide free basic medical care, dental care, vision care, and free lifestyle counseling.
