

Capital Campaign

Thank You to all who have so faithfully been contributing to the Capital Campaign Fund. We have received many compliments on the New Doors and Entry Way. The modern look and bright open foyer is very appealing. The church board set a goal to raise \$44,000 to cover this expense by April 1, 2019. How fast do you think we can do it? You can track our progress each week on the Goal Device that is shown at the end of the announcement period. When we all help by giving back from what God blesses us with, together we can accomplish anything!

“Connecting with Your Muslim Neighbors”

The North American Division is offering this self-paced course to help you understand Muslims in a completely different way, empowering you to share with Muslims the unique Adventist message of Salvation. The instructor is Bryan Gallant. (1.0 units of Continuing Education credit are available for this course.)

The purpose of The Connecting with your Muslim Neighbor course is to help you better understand Muslims, and experience the heart of God for the world of Islam. You will learn the spiritual heritage of Ishmael which leads to the heritage of Muslims today. Within our unique witnessing principles, we will look at the life of Muhammad, Qur'an, beliefs of Islam, and discuss how we can connect deeply with Muslims for the glory of God. This course can help provide Seventh-day Adventists a bridge for starting conversations and developing meaningful relationships with Muslims and introducing them to Jesus.
