Who Saved Just “One More”

February 7, 2019, marked 100 years since Desmond Thomas Doss’s birth in Lynchburg, Virginia. Doss, who passed away in 2006, grew up to be one of the greatest examples of love and kindness of the century as he served as an unarmed U.S. Army medic in World War II. Not many would go into the bloodiest battle of the war without a weapon. Armed only with his faith and a prayer, his faith, love and patriotism changed the world.

Rockwood Community News

Funding our Mission: As averages go, last year Rockwood Adventist invested about \$2,433 per week in the operation of our church and its foundational mission to the community. Unfortunately the donations to church budget last year average about \$2,321 per week and if you do the math we spent approximately \$112 per week more than we received. So far this year the church budget donations are averaging \$2,087 per week which is less than last year's donations for the same period. Our projected expenses for 2019 are \$2,656 per week. We urge each one to attend the Church Business meeting where you will receive a report on why the expenses per week increased. Thank you for prayerfully considering how God has blessed you and how God would have you assist in funding the mission of Rockwood Adventist. Please mark your gifts church budget on the offering envelope or donate at www.RockwoodAdventist.com/onlinegiving.
